REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

C. REPORT OF THE TEACHER CONSULTANT

To the School Board and the Citizens of Barnstead:

I respectfully submit my second Annual Report as Teacher Consultant for the Governor Wentworth School Union No. 49.

Staff

School opened in September with two new teachers and a teachers' aide. Mr. Fred Long, a graduate of Berkshire Christian College, Lenox, Massachusetts with a B. A. Degree and Miss Althea Steele, a graduate of Taylor University, Upland, Indiana with a B.S. Degree in Elementary Education, and Mrs. Ann Carr as a Teachers'-Aide for grades four and five.

Building

The addition to the building has allowed us plenty of room and has been enjoyed by all. Mr. Richard Foss, contractor for our extra rooms is to be commended on a good job and one which was done without being prolonged.

Curriculum

The departmentalized sixth, seventh, and eighth grade has continued to work out well. This is also a good experience for these young people as they will be in this same situation when they enter high school.

In closing, I wish to express my appreciation to the Barnstead School Board, the teaching staff and the citizens of Barnstead for their cooperation and support of our school.

Respectfully submitted,

RAYMOND C. ROY, Jr.
Teacher Consultant.

V. AUXILIARY REPORTS

A. REPORT OF PRINCIPAL

BARNSTEAD ELEMENTARY SCHOOL

In September, we opened school using the new addition. Two new teachers presently joined our staff; Miss Althea Steele, teaching the second grade, Mr. Fred T. Long, Jr., teaching social studies and English to grades six, seven, and eight. Mrs. Ann Carr became a full time helper in grades four and five. Mrs. Carr has assisted Mrs. Kidder with supervision and correcting of papers.

During the summer, Mrs. Kidder attended the Language Arts Workshop in Laconia. Classes were held every morning for three weeks. Mr. Long took an extension in Improvement of Reading and Diagnostic Testing sponsored by Plymouth State College.

In order to evaluate our program further, Mrs. Kidder and Mrs. Pitman have served on curriculum committees. Mrs. Kidder has worked on a Curriculum Study dealing with Language Arts. They reviewed and studied Language Arts series looking for ways to improve the present program. Mrs. Pitman worked with a committee on reading. They too inspected new materials in the field of reading. It also gave her an opportunity to compare and evaluate our program with that of local schools in the area.

The teachers have been busy in other areas representing our school. Mr. Long has served as building representative to the teachers association for Union 49. He also has served as program chairman for N.B.P.A. (New Durham, Barnstead, Pittsfield, Alton Division of the '49'ers Teachers Association). Mrs. Kidder has served as Secretary-treasurer for the 49'ers and also for the N.B.P.A. Miss Crosby has for the second year acted as the Channel 11's educational Television Coordinator for Barnstead. Miss Crosby gathers data for the management of the station to help them to further programming.

National Education Week was observed with an assembly and also an Open House. Students attended an evening session demonstrating classes from their regular daily schedule.

P.T.A. is again sponsoring the ski program. The instructors are from the Penny Pitou Ski School from La-

conia. Students not taking the lessons are participating in an art class. Grades six, seven, and eight are participating in the program.

Grades two and three have been using the two new rooms. Mrs. Kidder and Mrs. Carr are using the two rooms at the other end of the building. One room serves as a classroom for Mrs. Kidder, the other, Mrs. Carr supervises the students studying. During Christmas vacation, part of the wall between the main room and classroom was removed making it possible to have a larger room for activities, assemblies and meetings.

We all express the hope that parents and citizens of the community will feel free to visit their school and participate in its activities.

Respectfully submitted,

MARYELIZABETH CAYES,
Principal.
